Procedure for starting a new chapter of the JSU Alumni Association:

Step 1 - Someone indicates an interest in the creation of a chapter

Step 2 - The JSU alumni office is contacted: (877) JSU-ALUM or (256) 782-5404 or via email at alumni@jsu.edu

Step 3 - The alumni office uses its database to generate a list of how many alumni we have within a certain geographic area, or that meet a common criteria.

Step 4 - If the number exceeds 75 people, the procedure moves forward. If not, it is assumed that it would be most difficult to maintain a chapter. The JSU Alumni Association encourages all alumni to get involved and any group of fewer than 75 with a common interest should contact the JSU Alumni Relations office.

Step 5 - An alumni survey is created. Individuals are asked to respond to the survey, and indicate their willingness to participate in chapter activities, how far they're willing to drive, what are the best days of the week for attending events, how often they would attend, etc.

Step 6 - If 10% - 20% of the surveys are responded to positively, the procedure moves forward. (A minimum of 10 responses required.)

Step 7 - An alumni social event is planned in the area. The person who is willing to initiate the chapter would work with the Assistant Director of Alumni Relations in planning the event. After all the details are worked out, the alumni office creates an invitation, has it printed and mailed. The alumni office MUST have all details provided by the volunteer at least 6 weeks prior to the date of the event in order to create invitations, have them printed, stuffed and mailed at bulk rate, allowing individuals sufficient time to respond.

Step 8 – The event is evaluated to see if the group present is willing to commit to becoming a chapter. At this point, a group of potential officers would have to be identified, including a president & vice president. (Usually, the person taking the initiative to start the chapter serves as its inaugural president.)

Step 9 - The organized group makes a request that the JSU National Alumni Association's Board of Governors officially recognize the group as a chapter.

Step 10 - The chapter's president automatically becomes a member of the Alumni Association’s Board of Governors. This body meets 3 times a year, and it is requested that everyone attend at least one meeting per year. (Those within 100 miles of campus should make every attempt to attend all meetings.) A newly-formed chapter may be dissolved if communication with the JSU alumni office ceases for an extended period of time.
Chapter programming ideas

Are you a chapter officer and want to know some specific things you can do to help the chapter’s growth? The purpose of this page is to give you some ideas about things a chapter can do to grow, increase visibility, and become the best it can be. Here is a list of programming ideas for you to consider for your chapter.

- **Host an event** – nothing brings JSU folks together like a well-planned alumni event. These events provide networking and social opportunities for JSU alumni, as well as increasing visibility for JSU. They also facilitate a connection between alumni and their alma mater in accordance with the JSU Alumni Association’s mission statement. A list of possible event ideas is included in this manual.

- **Communicate through social media** – utilize social media sites, such as Facebook, Twitter, and Instagram to engage and interact with alumni. Most of these are very easy to start and there is no cost involved. Having an online presence can help you identify potential chapter officers and leaders. These groups allow alumni the opportunity to network with each other via the Internet. They also help you to communicate with alumni who share your common interest. It is a great way to advertise upcoming events, scholarship opportunities, etc.

- **Start a chapter scholarship** – if your chapter does not have a scholarship established, a goal can be set to establish one. A minimum of $500 annually is required in order to start a scholarship. Here’s the good news: for every dollar that your chapter awards in scholarship money, JSU President Dr. Meehan has agreed to match the funds dollar for dollar from other accounts! This means that if you raise $1,000 to give as a scholarship for your respective chapter, the scholarship is awarded as a $2,000 scholarship. If your chapter already has an established scholarship, spread the word that it exists and encourage others within your circle of influence to become involved as participants. You could even have a small silent auction at your alumni events to help raise money for the scholarship fund. See if you can get local businesses to donate items that would sell in a silent auction. An endowed scholarship can be created with a minimum of $25,000. This means that the principle would never be touched and scholarships would be awarded from the interest earned each year. If you have questions about setting up an endowed scholarship for your chapter, ask the alumni staff.
- **Mock interview sessions, alumni panels, or mentorships for current JSU students** – Your chapter could host mock interview sessions which would allow some of the current students to have an opportunity to work on their interviewing skills. A panel of alumni from your chapter could come to JSU to do a Q &A session with the students. In addition, JSU students who are a part of the STAT Club (Students Today, Alumni Tomorrow) are paired with alumni who serve as mentors in their individual fields of study.

- **Have an alumni membership drive** – A letter from the chapter president to all alumni that meet the chapter’s criteria could be mailed, informing them about chapter activities and encouraging them to become a member of the JSU National Alumni Association.

- **Hold a student recruitment event with alumni involvement** – Some chapters have hosted meet & greet sessions with current high school students who are considering attending JSU and local alumni. High school guidance counselors are contacted and requested to encourage student participation, and an invitation is mailed to alumni by the alumni office.

- **Create a chapter newsletter** – periodically, a newsletter could be printed to let everyone know all that is going on with the chapter.

- **Be politically active** – whenever possible, lobby politicians or those with whom you have influence to be politically active in supporting higher education and the funding of Jacksonville State University.

- **Keep chapter information on the JSU alumni web site up-to-date** – regularly check the alumni web site at [www.jsu.edu/alumni](http://www.jsu.edu/alumni). Specifically check the “upcoming events” and “chapter news” pages to make sure the latest information about your chapter is posted.
**Chapter Event Ideas**

* Several ideas for alumni events are listed below. This list is intended to give chapter officers ideas about what types of events have been effective historically.

- Alumni After-Hours gatherings (informal gatherings, usually at a bar or restaurant on a Tuesday or Thursday afternoon around 6pm – traditionally, these events are very successful)

- Alumni Dinners (usually have a guest speaker, usually held on a Tuesday night, Thursday night or Saturday night)

- Student Recruitment/Alumni Meet & Greet event (a letter is sent to high school guidance counselors and students who have applied to JSU announcing the event, in addition to inviting alumni in the area.)

- Pre-game Tailgate Parties

- Wine & Cheese Receptions (informal come-and-go type of events)

- Game Watching gatherings (when the JSU Gamecocks sporting events are televised)

- Riverboat Dinner Cruise

- Major League or Minor League Baseball outings (such as the Washington Nationals, Atlanta Braves, Rome Braves, Montgomery Biscuits, Birmingham Barons, Chattanooga Lookouts, etc.)

- Alumni Luncheons (usually with a guest speaker)

- Outdoor picnics (such as a cookout under covered pavilions, fish fry, shrimp boil, etc.)

- Amusement Park Outings (such as Six Flags, Lake Winnie)

- Annual Reunions or Meetings

- Scholarship-raising events
