(Please see Learning Outcomes #3 and #III for each program)

Please note that many of our programs are cross curricular and require that multiple majors enroll in common courses. This explains why some learning outcomes appear to have more data points than others. Also, low enrollment in advanced programs such as Reading Specialist, Counselor Education Specialist, Early Childhood, Library Media, etc. results in program courses being offered in a two year rotation rather than every academic term. This explains why our smaller programs do not have data points for each learning outcome.
