EMERGENCY MANAGEMENT

Educating the next generation of EM leaders and Homeland Security Experts.

You will have the degree to propel your career forward!
Our graduates work in government, private and non-profit sectors.

Why consider Emergency Management?

- ▶ With a degree in Emergency Management from JSU, you will be ready for any community incident, from minor emergencies to major disasters.
- ▶ You will possess the knowledge and skills to lead the way in helping your region, your state, and your country prepare and recover from major events.

**All programs
are regionally
accredited and
available completely
online!**

We have had EM students from all seven continents! See what some of our alumni have to say:

"The Emergency Management curriculum taught at JSU provided me with the foundational knowledge I needed to start my career in Emergency Management. The Department of Emergency Management's exceptional relationship with Emergency Managers in nearby agencies gave me numerous opportunities to network and create relationships with practitioners who were already in the field."

**- Baylee Spoon, '19
EM officer at
Jefferson County EMA**

"I chose JSU's MSEM program over many others because of the mixture of expertise of the faculty across all facets of Emergency Management. As an Emergency Management professional, I knew the quality of the education that is provided by JSU was unparalleled and was never disappointed."

**- Ronald (Jason) Smith, '18
State Training Officer,
Alabama EMA**

"JSU EM was the best way for me to continue my education while working full time. It provided me with the necessary grounding in Emergency Management to pursue my career aspirations."

**- Dr. Chris Kearns, '17
Public Safety Communications
Center Manager,
Lethbridge, Canada**
