

Faculty Research Symposium Judging Rubric

Poster Presentation

Judges, please score each category using the 1-5, 6-10, and 11-15 scale points system. Failure to score each category may invalidate the results. Please tally your scores and submit them to the appropriate FRS committee representative. Thank you for participating in JSU's Inaugural Faculty Research Symposium.

Presenter(s):			
Poster Number:			
SCALE: Please judge using the following scores <ul style="list-style-type: none"> • 15-11 = Exemplary to Above Average • 10-6 = Good to Average • 5-1 = Below Average 	1-5	6-10	11-15
Poster Content: Strong material; Well summarized; Clearly shows development of study or research; Materials appear to accurately support purpose of study, hypothesis, or research question; Strong conclusion and implications presented.			
Research Complexity: Complex research project; Purpose of study was completely defined, and results displayed in a manner interpretable by the general audience.			
Poster Appearance/Clarity: Visually appealing and strongly effective presentation; Easy to read; Utilized creativity in use of headings, fonts, color, and white space.			
Presenter's Oral Presentation: Presenter was confident and professional; Established eye contact; Clearly conveyed research methods, conclusions, and implications; Answered questions effectively; Discussed research in layman's terms or terms appropriate to the judge.
