

Hey Future Gamecock!

We are still excited that you are admitted to Jax State and could soon be #jaxstatebound, {!Person:First Name;}!

In case you didn't know (or maybe you did!), signing up for Gamecock Orientation is how you officially let us know you're attending Jax State! By registering, you're not just securing your spot in our mandatory freshman orientation—you're also accepting your merit-based scholarship and ensuring you receive important updates just for students committed to Jax State.

Not to mention, you also get to pick up a Jax State Bound yard sign to display your plans to your neighborhood and friends!

What is Gamecock Orientation?

Gamecock Orientation (GO!) at Jacksonville State University is designed to help first-year students under 25 transition smoothly into college life. Led by GO! Leaders—trained student leaders, these interactive sessions introduce you to academic opportunities, campus traditions, and essential resources. Orientation is also a great chance to connect with fellow new students and gain support from experienced mentors as you start your journey at Jax State!

The most important take away from GO! will be your class schedule completed with the assistance of academic advisors! Supporters are encouraged to participate, ensuring they have the information needed to support their student's success. GO! is the first step in an exciting journey at Jax State, setting the foundation for academic and personal growth. To see all the dates in June and July and to

Student Spotlight

The connection with caring student leaders, faculty, and staff starts at GO!. Lauren Sechrest (pictured on the far left), an Accounting major and student coordinator for the Gamecock Orientation team, puts it best:

“Jax State stands out for its friendly and welcoming atmosphere! As a student, you’ll be supported by faculty and staff who are genuinely dedicated to helping you succeed, as well as by peers who will encourage you every step of your college journey. At Jax State, you are never alone. I hope you fall in love with “The Friendliest Campus in the South” just as I have.”

What's Coming Next...

If you have not yet joined us for an Admitted Student Day, there is still space in our March 6th session for you and your guest. We are ready to provide you one-on-one assistance to make sure Jax State is the right fit for you! Check out the details and register below!

FINAL Admitted Student Day Registration »

Keep an eye out for the next edition! We'll be sharing valuable tips for college success and highlighting the many resources available to support you along the way. College is a new and exciting journey that requires hard work, but you're not in it alone—we're here to help you build the skills you need to thrive and make an impact in your future career!
