My family

Hello! I am so excited to be your child's teacher! I have been in childcare working with the ones for almost six years. This is my favorite age group. I'm currently from Anniston but I'm originally from Ohio. My family and I moved here in December 2018 for my husband's job. I'm married to my high school sweetheart, Randy. Together we have two kids. Madison (age 23) and Raiden (age 17). We also have a dog, a cat, a bearded dragon and three ball pythons. In my free time you'll catch me caring for my little zoo, thrifting or curled up with a book.
