

Research Consent Form

Center Name: _____

Project Title: _____

Principal Investigator / Contact: _____

Purpose of Research

The purpose of this research is to collect and analyze data for scholarly, institutional, and professional use by the Center. Findings may be used to inform reports, presentations, and publications.

Use of Research Data

By signing this form, the participant acknowledges and agrees that:

- All data, information, and materials obtained through participation in this research may be used by the Center for analysis, reporting, and publication purposes.
- Research findings may be disseminated through academic journals, professional publications, conference presentations, and other public or institutional outlets.
- All reasonable efforts will be made to ensure **anonymity and confidentiality**. No personally identifiable information will be disclosed in any publication or public use of the research data.
- Data may be aggregated or summarized to prevent identification of individual participants or institutions, unless explicit written permission is otherwise provided.

Voluntary Participation

Participation in this research is voluntary. Participants may decline to answer any question or withdraw from the study at any time without penalty.

Consent

By signing below, the participant confirms that they have read and understood this consent form and agree to the terms outlined above.

Participant Name (Printed): _____

Participant Signature: _____
