

## Poster Presentation: FRS Judging Rubric

Judges, please score presentations using a range of 1-15 per criterion. Failure to score each category may invalidate the results. Please tally your scores and submit them to the appropriate FRS committee representative.

Thank you for participating in Jax State's Faculty Research Symposium.

	<i>Award a score of 1 and no more than 15 points for each criterion</i>			<i>SCORE</i>
<i>Criteria:</i>	<i>Points: 1-5</i>	<i>Points: 6-10</i>	<i>Points: 11-15</i>	
<b>Poster Content:</b> Strength of Material; Summary of Study; Research Support for Purpose; Conclusion and Implications	Lacks depth; significant gaps or unclear	Somewhat detailed, but lacks coherence in parts	Strong material, highly relevant, and informative	
<b>Research Complexity:</b> Complexity of Research; Clarity of Research Purpose and Results	Research is too simple or underdeveloped; Lacks purpose and clear results	Some complexity but lacks robustness; Moderately interpretable, some jargon or confusion	Clear, well defined, easy for general audience to interpret.	
<b>Poster Appearance/Clarity:</b> Visual Appeal; Readability; Creativity, and Design	Unattractive, lacks coherence; poor design lacks creativity	Somewhat attractive but not cohesive; design somewhat effective but lacks creativity	Visually appealing, professional, and creative; highly effective layout	
<b>Presenter's Oral Explanation:</b> Professionalism; Engagement; Clarity; Confidence; Effectiveness Answering Questions	Nervous, unclear, minimally engaging	Somewhat clear but with occasional confusion	Very clear and well communicated	
<b><i>TOTAL SCORE (Out of 60)</i></b>				<b><i>____/60</i></b>
