

## Short Presentation: FRS Judging Rubric

Judges, please score presentations using a range of 1-15 per criterion. Failure to score each category may invalidate the results. Please tally your scores and submit them to the appropriate FRS committee representative.

Thank you for participating in Jax State's Faculty Research Symposium.

	<i><b>Award a score of 1 and no more than 15 points for each criterion</b></i>			<i><b>SCORE</b></i>
<b>Criteria:</b>	<i><b>Points: 1-5</b></i>	<i><b>Points: 6-10</b></i>	<i><b>Points: 11-15</b></i>	
<b>Presentation Content:</b> Topic; Key Points; Research Support; Conclusion/Implications	Lacks clear context of study; unclear or disconnected content; weak support	Somewhat detailed, but lacks coherence in areas	Strong material, highly relevant, and informative	
<b>Research Complexity:</b> Research Complexity; Purpose; Result Explanation	Research is too simple or underdeveloped; Lacks clear purpose or explanation of results	Some complexity but lacks robustness; Moderately interpretable, some jargon or confusion	Solid, well-developed research with clear purpose and scholarly support; easy to interpret	
<b>Organization and Time Management:</b> Organization; Structure; Flow; Pace; Timing	Unattractive, lacks coherence; poor design lacks creativity	Somewhat attractive but not cohesive; design somewhat effective but lacks creativity	Visually appealing, professional, and creative; highly effective layout	
<b>Presentation Delivery:</b> Professionalism; Engagement; Clarity; Effectiveness of Answers; Effectiveness of Visual Aids (If Any)	Nervous, unclear, minimally engaging	Somewhat clear but with occasional confusion	Very clear and well communicated; Professional; Engaging	
<i><b>TOTAL SCORE (Out of 60)</b></i>				<u>        </u> /60
