

International Student Enrollment

As an international student, you will be required to be enrolled full-time for at least 9 graduate hours each semester and at least 6 of those hours must be taken on JSU's campus in a face-to-face format. The U.S. government requires that all international students maintain a physical presence on the campus of the institution in which they are enrolled. Our graduate classes are scheduled to accommodate that requirement and it is the University's expectation that all international student abide by that requirements. Failure to do so could result in your being classified as out-of-status with U.S. Immigration.
