Roll out the green carpet and let the raw beauty of this timeless landscape become your reality. See it cover the streets of Dublin in a quilt of fact and lore, from the fiction of Molly Malone to the legend of Big Jim Larkin, whose bronze monument is a bold reminder of his realness. Before the city streets lose their charm, follow the trail of daffodils that outlines the Ring of Kerry. Students will explore the history and literature of Ireland as well as gain insight into Irish policy areas related to their field of study.
