Spring April 2021 Newsletter

Back to Us

Thank you all for working with us this past year during the pandemic. We hope the seniors still earned and learned something even though your final year with us was unique. We are excited for our freshman and incoming members to undergo new experiences as JSU announced plans to resume normal operations in the fall semester. Thank you everyone!

*To our members, stop by the Honors room, and take an Honors Program mask as a souvenir!
