

Summary of 2021-2022 New Student Survey Results

Of the students who responded to the 2021-2022 New Student Survey, nearly two-thirds (65%) resided in Campus Housing during their first semester, 23% lived at the home of parents or relatives, and 9% lived in a room or apartment off-campus. One-half (50%) were very dependent on their parents, relatives, or friends as the primary source of their first-year educational expenses. Forty-four percent were very dependent on Pell Grants, 34% on Federal Direct Loan, and 57% on Academic Merit Scholarships. Top 10 majors that respondents had chosen were Nursing (22%), Business-Accounting, Economics, Finance, Management, or Marketing (11%), Early Childhood/Elementary Education (6%), Biology-Health Professional (6%), Forensic Investigation (5%), Criminal Justice-Law enforcement (4%), Psychology (4%), Computer Science-General (3%), Social Work (2%), and Exercise Science and Wellness-Human Performance (2%). To obtain a bachelor's degree from JSU is the ultimate goal for a majority of the respondents (88%). Three-quarters of the respondents (75%) indicated that JSU was either the only school or their first choice among several colleges to which they applied. Email (55%) and text (38%) were the two most preferred ways of receiving communications from JSU.

Their college choice

Factors that impacted their decision to attend college the most were:

- To learn more about things that interest them (96%)
- To gain a general education and appreciation of ideas (95%)
- To be able to earn more money (88%)
- To improve their reading and study skills (85%)
- To be able to get a better job (83%)
- To prepare for graduate or professional school (81%)

Respondents indicated the following were “very important” reasons for their decision to attend JSU:

- Availability of a particular program of study, or major (74%)
- The availability of financial aid or scholarship (73%)
- Cost of tuition and fees (63%)
- The location of JSU (57%)
- JSU's academic reputation (54%)
- Type of community (Jacksonville) (51%)
- The variety of courses offered (50%)

In learning about JSU, 61% of the respondents learned from their parents or relatives, 56% from their campus visit, 54% from friends at JSU, 37% from the JSU Website, and 34% learned about JSU from Social Media Sites.

Expectations

Over one-half of the respondents (61%) estimated that they would have a very good chance to earn a bachelor's degree at JSU. In addition, 58% expected to have very good chance to find a good job after graduation in the field in which they were trained, and 53% would be satisfied with JSU. Ninety-one percent expected to have a good chance or a very good chance to make at least a “B” average. Fifty-four percent thought they would have no chance of failing any courses.

Over one-half (52%) reported not working while attending JSU, 34% spent up to 20 hours a week working on a job, and 13% spent 30 hours or more a week working. A majority (81%) planned to spend 20-40 hours a week on schoolwork, 4% planned to spend 50 hours a week and 15% planned to spend less than 20 hours a week on schoolwork.

Self-rating

When compared to other people their age, one-half or more rated themselves above average or in the highest 10% in the following traits:

- Drive to achieve (71%)
- Cooperativeness (61%)
- Understanding of others (58%)

Student Self-efficacy and Self-efficacy with Technology

Nearly all respondents had access to a laptop or notebook computer (95%). A majority had access to other portable devices, i.e., iPad or smart phone (88%). Eighty-one percent had Internet connectivity 24 hours/7 days a week.
