Distance Education:

3,681 JSU Students are enrolled in Distance Education courses this fall.

Degrees Conferred: 1,778 students received their degrees between July 1, 2012 and June 30, 2013, the second highest since 2000-2001.

Our Mission:

Jacksonville State University provides distinctive educational, cultural and social experiences for a diverse student population.

As a learning-centered university, Jacksonville State University strives to challenge students academically in a responsive environment, meeting students' educational, career and personal goals.

As an academic institution, Jacksonville State University seeks to produce broadly educated graduates prepared for global engagement.

As a public, comprehensive university, Jacksonville State University promotes excellence in scholarly and service activities consistent with its academic and professional strengths.

Our Goals:

1. Educate students to be productive, responsible citizens and effective leaders.
2. Advance student learning through academic excellence.
3. Increase student and faculty participation in research and service activities.
4. Create a diverse learning community that facilitates academic and professional excellence.
5. Effectively use technology to support learning, research, information management and evidence-based decision-making.
6. Continuously improve administrative processes and services.
7. Enhance revenue growth and financial planning to ensure adequate fiscal resources for the University.

Our Vision:

Jacksonville State University strives for continuous improvement as a learning-centered community committed to developing the ability to think critically, solve problems creatively and collaboratively, and communicate effectively.

Our Core Values:

1. Quality teaching to enhance student learning and leadership skills for employment, citizenship and life-long development.
2. Academic as well as overall excellence in all aspects of university life.
3. The ethical, social, intellectual, cultural and physical development of students, faculty, and staff.
4. The support of intellectual and academic freedom, dialogue and the free exchange of ideas.
5. Building effective relationships and communication paths among departments, faculty, staff, students and alumni.
6. Maintaining diversity in faculty, staff and student body.
7. Enhanced efforts to accommodate students' understanding and needs regarding University policies and practices.
8. Enhanced use of and access to current technology.
9. Continuous improvement of a learning centered environment.
