JACKSONVILLE STATE UNIVERSITY

Active Shooter Response

12 CEU's

This 1.5-day (12 hours over two days) Active Shooter Response (ASR1) Course is a dynamic, hands-on training program designed to equip law enforcement officers with the knowledge and skills required to successfully end an active threat event. The ASR1 will prepare students to employ Active Shooter Threat Tactics through dynamic, interactive drills and scenario-based training. This intensive and challenging program covers a variety of tactical subjects for responding officers including: Single Officer Response Tactics, Limited Penetration Tactics, Multiple Officer Response and Link-Up Procedures and Post Shooting Considerations. Candidates will be evaluated on their ability to perform skills and tactics in the role of a responding officer during a practical exercise.

Student Materials to bring to training:

• Body armor • Wrap around eye protection • Foam hearing protection • Spare flashlight and batteries
