

DIGITAL FORENSICS WORKSHOP

(BEGINNER/INTERMEDIATE LEVEL)

June 22-24, 2026
8:00AM - 5:00PM

100 Gamecock Drive
Anniston, Alabama 36205

COURSE OVERVIEW

The importance of understanding digital evidence to Agents Investigators, and Prosecutors will continue to grow as mobile devices and cloud services expand in both popularity and accessibility.

This workshop is designed for non-digital/computer forensic analysts seeking to build knowledge and hands-on skills with the most up-to-date forensic tools available. Participants will engage in practical exercises and real-world scenarios to enhance investigative capabilities in today's fast-paced, ever-changing digital environment.

INSTRUCTORS

Hosted by the Tuscaloosa County Sheriff's Office Cyber Operations Unit and digital forensic examiners from Homeland Security investigations - Birmingham

REGISTRATION

Limited to 35 students.
