ROTC

Reserve Officer Training Corps

After the tragic loss of Major Dwayne Williams, his mother, Ms. Pearl Williams, was determined to do something in her son's memory for his service to the country. Dwayne died during the attack on the Pentagon September 11, 2001. She found ways to raise money for scholarships to give many worthy ROTC students an honor in memory of her son. The scholarships are presented annually during the fall.

1946

The International House Program began in 1946 with five students from France. Initially, the program focused on languages. Today, there are forty members of the program. Twenty American students and twenty internationals. Each international student is from a different country and rooms with an American student. Though emphasis is still placed on languages, greater emphasis is now placed on the overall aspects of cultural understanding. Truly, the International House Program provides “A Window on the World” for students at Jacksonville State University and the surrounding community.

Sororities

Delta Zeta

Delta Zeta was founded on October 24, 1902 at Miami University in Oxford, Ohio by Alpha Lloyd, Anna Keen, Mabelle Minton, Mary Collins, Julia Bishop, and Anne Simmons. Their philanthropic causes are speech and hearing and The Painted Turtle Camp.

Phi Mu

This sorority was founded in 1852 at Wesleyan College in Macon, Georgia by Mary Lines, Mary Elizabeth, and Daniel and Martha Redding. It began as the Philomathean Society, a literary society, and is the second oldest group for women in the nation. Their philanthropic cause is Children's Miracle Network.

Zeta Tau Alpha

This sorority was founded on October 15, 1898 by nine women at the State Female Normal School in Farmville, Virginia. Their philanthropic cause is Breast Cancer Awareness.

Zeta Phi Beta

Zeta Phi Beta Sorority, Inc. was founded January 16, 1920, at Howard University, Washington, D.C. The Klan was very active during this period and the Harlem Renaissance was acknowledged as the first important movement of Black artists and writers in the U.S. It was within this environment that five coeds envisioned a sorority that would directly affect positive change, chart a course of action for the 1920s, raise consciousness of their people, encourage the highest standards of scholastic achievement, and foster a greater sense of unity among its members. These women believed that sorority socializing overshadowed the real mission for progressive organizations, and failed to address fully the societal mores, ills, prejudices, and poverty affecting humanity in general and the black community in particular.

Delta Sigma Theta

Delta Sigma Theta Public Service Sorority Inc. was founded January 13, 1913 by twenty-two illustrious college women at Howard University. Their goal was to strongly de-emphasize the social aspect of sorority life and expand on new horizons such as cultural diversity and academic excellence. The Kappa Beta Chapter, chartered May 12, 1973 at Jacksonville State University, continues to live on the legacy that was paved by the founders. Through continuous involvement in the local community, service programs based on the sororities five point thrust, and with a priority on academic success, the Kappa Beta Chapter is always striving to have a positive impact on the lives they encounter.

Alpha Xi Delta

In 1893, ten young women at Lombard College in Galesburg, Illinois, shared a vision and a dream of a national organization dedicated to the personal growth of women. Their dream became Alpha Xi Delta, one of the oldest in the United States. Their philanthropic cause is Autism Speaks.

Alpha Omicron Pi

Founded on January 2, 1897 by Helen Mullan, Stella Perry, Elizabeth Wyman, and Jessie Hughan at Bernard College, New York. Their philanthropic cause is Arthritis Research.

Alpha Kappa Alpha

It all began as a vision of nine college students on the campus of Howard University. The sorority has grown into a union of thousands of college-trained women who are bound by a powerful mystique, a real moving factor in the lives of students in more than four hundred institutions of higher learning. It is one of the most solvent corporations in the world today. As Alpha Kappa Alpha has grown, it has kept in balance two very important themes: the importance of the individual and strength of an organization of women, courage, and ability. As the world became more complex, there was a need for associations without racial, geographical, political, physical, and social barriers. Alpha Kappa Alpha's influence extends beyond campus quads and student interest.

Sigma Gamma Rho

The sorority was founded on November 12, 1922 on the campus of Butler University in Indianapolis, Indiana by seven school teachers. Each woman had the the same goal in mind, "Greater Service, Greater Progress." The Mu Xi Chapter was chartered on the campus of Jacksonville State University on March 6, 1992 by seven untouchable Pearls. Since then fifteen lines have crossed into the largest chapter in the Southeast Region. Mu Xi has been and will continue to serve as a beacon of light to all mankind. Sigma Gamma Rho Sorority's aim is to enhance the quality of life within the community. Public service, leadership development and education of youth are the hallmarks of the organization's programs and activities. Sigma Gamma Rho addresses concerns that impact society educationally, civically, and economically.

Fraternities

Sigma Nu

When a new member is initiated, Sigma Nu does not supply him with a badge of one or two arms, but all five because the chapter is trusted to initiate a fully prepared, totally committed, genuine Brother. It is Sigma Nu's mission to empower its Brotherhood to grow mind, heart, and character in order to assist collegiate members to move more gracefully out into the world after graduation.

Pi Kappa Phi

On a quiet December evening in Charleston, South Carolina in 1904, three friends, Andrew Kroeg, Simon Fogarty and Harry Mixon made a choice to lead. Over the course of a century, a fraternity with humble beginnings has grown into a brotherhood of more than 100,000 members. PUSH America is their philanthropy.

Omega Psi Phi

On Friday evening, November 17, 1911, three Howard University undergraduate students created the Omega Psi Phi Fraternity. Omega Psi Phi does not seek members; quality men seek Omega Psi Phi. A man who successfully completes the membership selection process will immediately have access to a brotherhood of men who share similar ideals and aspirations. Those who seek admission will learn the history of the fraternity from an historical perspective, written test and personal accounts. Successful applicants will have a strong presence at the college, university or graduate chapter where they gain admission, but will also become a part of an international organization known worldwide. Omega Psi Phi has more than 700 chapters of members.

Delta Chi

Delta Chi fraternity believes that great advantages are derived from a brotherhood of college and university men. That close association promotes friendship, develops character, advances justice, and assists in the acquisition of a sound education.

Sigma Phi Epsilon

The fraternity's mission has been refined as "Building Balanced Men." With these three words, they capture the essence of SigEp's value to its members, charting a course for men to live their best lives by embracing their cardinal principles of Virtue, Diligence and Brotherly Love and committing to the practice of Sound Mind and Body.

Tau Delta Phi

Tau Delta Phi was founded on June 22, 1910. Starting out as Phi Sigma Beta, they colonized at the Community Center of the Greenwich section of New York. Tau Delta Phi is a social fraternity that is committed to developing leaders of tomorrow with character and reputation that earn respect and admiration. Active Minds is their philanthropy.

Kappa Alpha Order

James Ward Wood was born on December 26, 1845, in rural Hardy County, Virginia (now in West Virginia). He was the fifth generation of Woods to farm the land near Lost River and his grandson Bill Wood (who continues his KA legacy as an Alpha Chapter initiate), occupies the family land and the Woodlawn home today. Wood was apparently studying law when Virginia entered the Civil War. He was blessed with a fantastic home library which was wide and varied. While his education was not as formal as we know today, he had a rich and broad base of learning. This was accomplished by his intense reading and study of all types of literature.

Iota Phi Theta

On September 19, 1963, twelve students from Morgan State College founded what is now the nation's fifth largest, predominately African-American social service fraternity, the Iota Phi Theta Fraternity, Inc. As Iota Phi Theta continues to grow and strengthen, so will its commitment to make meaningful contributions to society in general, with particular emphasis in the African-American community. Throughout America, Iota Phi Theta has come to represent excellence in all areas. The fraternity is, and shall forever remain dedicated to its founders' vision. The founders were Charles Briscoe, Charles Brown, Frank Coakley, Elias Dorsey, Jr.; Charles Gregory, Albert Hicks, Louis Hudnell, Webster Lewis, John Slade, Lonnie Spruill, Micheal Williams, & Baron Willis.

Phi Beta Sigma

Phi Beta Sigma Fraternity was founded at Howard University in Washington, D.C., January 9, 1914, by three African-American male students. The Founders, A. Langston Taylor, Leonard F. Morse, and Charles I. Brown wanted to organize a fraternity that would truly exemplify the ideals of brotherhood, scholarship, and service.

Kappa Sigma

Modern day Kappa Sigma was founded one chilly evening in the fall of 1869, as five students attending the University of Virginia in Charlottesville gathered in the room of William Grigsby McCormick, at 46 East Lawn, and planted the seed of Brotherhood. For many weeks the bonds of friendship had drawn these five together. It became clear they needed a formal structure to contain their feelings. Not only did the Founders formalize their friendship, but also created a fraternity steeped in the traditions of the past and dedicated to the Pursuit of Learning. The new brothers recorded their bond in a constitution and in an oath that set forth the ideals and principles to all Kappa Sigmas today. The president of this chapter is Walt Delavan.

Recently widowed Ethel Savage wants to make the best use of her money by helping others realize their hopes and dreams, but her grown stepchildren have other plans. They commit Mrs. Savage to the Cloisters, the local sanatorium, hoping to "bring her to her senses." While there, she befriends a group of social misfits who have trouble adjusting themselves to life. They help her lead the stepchildren on a merry chase as they attempt to locate Mrs. Savage's hidden fortune.

ANTIGONE

First performed in 1944 in Nazi-controlled Paris, Jean Anouilh's adaptation of the Greek classic Antigone is his best known play. As the play opens, we see a title character who is unwilling to compromise her spiritual and moral beliefs in defiance of the orders of King Creon. Anouilh uses Greek myth to explore the nature of tragedy, heroic resistance and destiny. His message is as relevant now as it was in the past.

Kiss Me, Kate

This classic play within a play has been delighting audiences since its debut in 1948 and gained a new following with its Tony Award-winning 1999 revival. The complicated plot that mirrors Shakespeare's *Taming of the Shrew*, battles of the ex-spouses, and the mistaken identities made this musical witty and entertaining.

Fool for Love

In this darkly funny drama, directed by Michael Boynton, the destructive nature of love and its power to distort memory and truth are explored. Childhood friends turned lovers endure a tumultuous relationship as the past haunts them when the desire of one generation wreaks havoc in the next with dark secrets, jealousy and betrayal. Winner of the Obie Award for Best New American Play in 1984, this play is sure to entertain.

Actors and actresses: Joshua Cody Hunt, Carrie Shaw, Cody Hayes and Maurice Winsell
