

HELP PATIENTS LIKE MADISON FIND THEIR CURE

Madison,
Searching Patient

For patients with life-threatening blood disorders like leukemia, lymphoma, or sickle cell, a cure exists through blood stem cell donation.

Tuesday November 4, 2025
5:00–6:00pm
Merrill Hall B10

Jax Mix Community Engagement Event **5:00–5:30pm**

Learn about the need for bone marrow donors, how the NMDP registry works, and the Jax State drive the week of November 10th. Swabbing to join the registry will be available on site, though participation is not required to receive Jax Mix credit.

Volunteer Training **5:30–6:00pm**

Students interested in volunteering for the campus drive can stay for training.
