# GENERAL INFORMATION

In accordance with the federal regulations of the Campus Security Act, Jacksonville State University, through the Jacksonville State University Police Department, submits both crime statistics for the three most recent calendar years and UPD's related policies and procedures. For the purpose of this report, Jacksonville State University is defined as the main campus located in Jacksonville, AL; along with separate campus and non-campus locations located at McClellan in Anniston, Alabama, Mountain Resource Center in Heflin, Alabama, JSU-RMC Center in Jacksonville, Alabama, and Little River Canyon located in Fort Payne, Alabama. These locations directly support Jacksonville State University's educational purpose. This information is distributed each year to enrolled students and current employees. The report is also made available to prospective employees and students. The University Police Department's Annual Campus Safety & Fire Report informs prospective and current students, faculty, and staff to the general procedures for reporting crimes both on and off-campus; it includes tips on preventing theft of property and crimes of violence, including domestic violence, stalking, dating violence, and sexual assaults. In compliance with amendments to the Campus Security Act (now known as the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act), and Department of Education regulations, the crime statistics published in this report illustrate:

1. The reporting of crime categories as specified below
2. The reporting of specified hate crimes by category of prejudice against the victim  
(*Race, Gender, Religion, Sexual Orientation, Ethnicity, Disability, Gender Identity, National Origin*)
3. The reporting of violations, arrests, and referrals for campus disciplinary action as specified below.

Each of these statistical categories is further broken down by geographic area: On-Campus (includes On-Campus Housing facilities), Non-Campus property (includes off campus property), and Public Property (includes property within the campus or immediately adjacent to it). See Crime Statistics for more information.

The University Police Department conducts annual requests to the Jacksonville Police Department, Anniston Police Department, Calhoun County Sheriff's Office, Department of Public Safety, Cleburne County Sheriff's Office, and DeKalb County Sheriff's Office for crime statistics taken from the public areas within the campus or immediately adjacent to the main campus, and the off-campus property owned by the University to be included in the Annual Campus Security & Fire Report.

The Annual Campus Security & Fire Report includes crime statistics for the following categories of crimes, as reported to UPD and other campus authorities as well as local law enforcement: homicide (*murder, non-negligent and negligent manslaughter*); sex offenses (*rape, fondling, incest, statutory rape*); robbery; aggravated assault; burglary; motor vehicle theft, arson, and hate crimes. Also included are statistics for the following categories of violation arrests and referrals to the Director of the Office of Community Standards and Student Ethics for disciplinary action: liquor law violations, drug law violations, and illegal weapons possession violations.

## **Mission**

The department's mission is to provide service and protection for the JSU community, prevent crime, enforce the law, and safeguard the constitutional guarantees of all.

The department provides support and services for academic and administrative staff, faculty, students, and JSU visitors. The department strives to ensure all faculty, staff, students, and guests are free from criminal, potentially criminal, or otherwise disturbing or threatening behavior that would prevent or discourage a safe and efficient work and study environment. The department is dedicated to ensuring that any police service required for faculty, staff, students, and visitors is provided as expediently and professionally as possible.

## **Values**

The department expects its members to be honest, ethical, and professional. The department seeks to safeguard individual rights and to treat all with respect and courtesy.

## **Philosophy**

To continue to meet the changing needs of our community by serving as a world-class model of a professional campus law enforcement agency in a diversified student environment; staying competitive in order to retain and attract motivated and career-oriented professional personnel; maintaining the technological edge for state-of-the-art capabilities in administrative and operational capacities; shifting or changing operating techniques and current paradigms to remain more effective and efficient in accomplishing our mission in meeting the best interests of the JSU community, and by endorsing and supporting higher education efforts and further enhancing in-service training resources to give an edge to our personnel.

## **REPORTING ON-CAMPUS CRIMES & OTHER EMERGENCIES**

To maximize safety on campus, the University Police Department strongly encourages anyone with knowledge about any crime, suspicious activity, or unsafe conditions on campus to make an immediate report to the University Police in person or by telephone, especially if victims of crime are unable to report. Reporting does not mean you must take legal action. It may, however, help police officers stop further incidents as well as help them keep the community informed about criminal activity. To make a report in person, go to the University Police Department, located in Salls Hall on the corner of Cole Drive and Forney Avenue. To make a report by phone, call UPD at (256) 782-5050 for emergencies or (256) 782-8888 for non-emergencies. 911 calls are answered by the Calhoun 911 Office and redirected back to UPD or the City of Jacksonville Fire/EMS. Please be prepared to provide information describing the situation to police communications. In emergency situations, including fires and medical emergencies, you may call (256) 782-5050 or 911. Faculty, staff, and students requiring non-emergency medical care may contact the RMC-JSU Health Center at (256) 782-5310 during business hours. JSU Counseling Services is available during business hours for those in need of counseling. An appointment can be made by calling Counseling Services at (256) 782-5475 or by completing the online request form available at [www.jsu.edu/ccservices](http://www.jsu.edu/ccservices). After hours, you may call the University Police Department and request a return call from the counselor on-call, without disclosing the details to the UPD dispatcher.

For other JSU locations owned, controlled, or used in direct support for educational purposes, UPD may refer the reporting parties to the local law enforcement agency having police jurisdiction. UPD will assist in providing

law enforcement and administrative assistance as needed. Crimes reported by these locations will be included in the annual Clery report and the daily crime log. All employees should report crimes as governed under JSU Policy IV:02:06 at <https://www.powerdms.com/public/JSUAL/documents/1291644>.

## **UPD RESPONSE TO A CRIME REPORT**

When you report a crime to the JSU Police Department, a university police officer will meet with you to discuss the situation. A written incident/offense report may be filed. The incident will then be reviewed to determine proper follow-up investigation by the initial reporting officer or by the Captain of Investigations. If a suspect is found, the victim may be escorted to the magistrate of the City of Jacksonville or the District Court of Calhoun County to pursue criminal prosecution. A warrant will be issued if there is probable cause to arrest the suspect. UPD police officers will serve the warrant, arresting the defendant. A court date will be set, and the victim may be required to appear in court to provide testimony.

## **RELUCTANT TO FILE AN OFFICIAL REPORT**

The Jacksonville State University Police Department encourages you to report all criminal activity even if you do not want to take legal action. A report is needed to help us maintain accurate records and to assist us in providing a safe environment for everyone on campus. UPD is responsible for preparing the University's Annual Campus Security & Fire Report and for compiling the crime statistics included in the report. We would like to keep the community as informed as possible. The information you report may assist UPD in providing a police response to an emergency. UPD provides a web link so that confidential reporting may be made at <http://www.jsu.edu/police/submit-tip.html>. The Calhoun County Sheriff's Crime Stopper hotline may be reached at (256) 238-1414.

## **REPORTING OFF-CAMPUS CRIMES & OTHER EMERGENCIES**

Victims or witnesses to criminal activity occurring off-campus or on property owned by Jacksonville State University in other locations should contact the agency that has jurisdiction:

Jacksonville Police Department at (256) 435-6448

Anniston Police Department at (256) 238-1800

Oxford Police Department at (256) 835-6108

Calhoun County Sheriff's Office at (256) 236-6600

Alabama Department of Public Safety at (256) 435-3521

DeKalb County Sheriff's Office at (256) 846-8565

Fort Payne Police Department at (256) 845-1414

Cleburne County Sheriff's Office at (256) 463-2277

The University Police Department can assist in notifying other law enforcement agencies in other locations as needed. UPD will also work with local campus agencies in crimes committed by students at non-campus locations of student organizations.

## **STUDENT ORGANIZATION FACILITIES**

All student organizations recognized by Jacksonville State University located on campus are encouraged to contact the University Police Department at (256) 782-5050 for emergencies or (256) 782-8888 for non-emergencies. Off-campus student organizations are encouraged to report incidents to the Jacksonville Police Department at (256) 435-6448 or the local law enforcement agency with jurisdiction. You may also call UPD for assistance and referrals. UPD will monitor and/or request information for police reports from partnering agencies and make notifications to university officials as appropriate.

## **OFF-CAMPUS HOUSING**

UPD routinely patrols nearby off-campus apartments and housing to assist the Jacksonville Police Department in crime prevention efforts. If you believe a crime has occurred at an off-campus residence, or if you are unsure of the police jurisdiction, contact UPD. We will direct the call to the proper authorities.

## **UNIVERSITY POLICE DEPARTMENT AUTHORITY & JURISDICTION**

The primary jurisdiction of the UPD is the Jacksonville State University Campus and University owned property. Enforcement jurisdiction includes the police jurisdiction of the City of Jacksonville. The University Police Department will enforce the Ordinances of the City of Jacksonville and the laws of the State of Alabama and carry out all duties and responsibilities attributed to the police department by the Chief of Police. Officers are authorized to assist law enforcement agencies outside the jurisdiction in mutual aid situations or to protect lives and property connected to JSU. Officers have been granted statewide authority and may take enforcement action for crimes committed within their presence or for which there is probable cause to believe a felony has been committed. Officers who are off duty and beyond the boundaries of Calhoun County should only take enforcement actions to prevent harm or injuries to themselves or others. On duty, officers may take reasonable enforcement action beyond the boundaries of Calhoun County while acting in an official capacity. Minor offenses should be reported and handled by local jurisdictions.

The University Police will enforce parking rules and regulations of Jacksonville State University, and the traffic ordinances of the City of Jacksonville, and the traffic laws of the State of Alabama, on all streets, and state highways, within Jacksonville State University property and the jurisdiction of the City of Jacksonville.

The University Police Department has written mutual aid sponsored by the Calhoun County EMA with local government entities. We work closely with all local, state, and federal agencies. Although University officers may assist other law enforcement agencies, the primary jurisdiction for students and student organizations off-campus in Jacksonville belongs to the [Jacksonville Police Department](#). Although the Jacksonville Police Department has primary jurisdiction, University officers may respond to student-related incidents near campus. University Police have direct radio communications with the Jacksonville Police, Fire, and Emergency Medical Services. University police officers may assist in rapid response to any emergency.

## DAILY CRIME LOGS

UPD compiles statistical information from reports filed with our agency and surrounding agencies. A summary of these reports is posted on the UPD Crime Log at <http://www.jsu.edu/police/crime.html> daily. Crime log summaries include each incident's location, type, date, time, and disposition. UPD crime logs are available for public viewing, 24 hours a day. UPD also posts crime alert on their website at <http://www.jsu.edu/police/submit-tip.html>.

## EMERGENCY RESPONSE, NOTIFICATIONS, TIMELY WARNINGS & CRIME ALERTS

In the event a situation arises on and/or concerning the campus of Jacksonville State University, the Director of Public Safety or designee will analyze information and issue emergency messages or timely warnings. After confirmation of an emergency event or for serious and continuing threats to persons or property concerning the campus community, warnings will be issued by the University's emergency alert notification system (JSU Alert) by personnel from the University Police Department. The content of messages will include information to promote safety and crime prevention, without compromising law enforcement efforts. This method offers emergency communications to all faculty, staff, and students registered into the system by phone calls, emails, and text messages for emergency notifications and timely warnings. In most instances, an emergency notification will include the entire campus population (students, faculty, and staff). However, during holidays, weekends or other periods outside of normal business hours, or under circumstances where the nature of the emergency supports an area-specific notification, emergency notifications could be utilized to notify a particular segment of the community (e.g., students only). Since all faculty, staff, and students have a JSU email account, all persons should regularly check their email and MYJSU accounts for messages sent by UPD. UPD strongly encourages all persons in the campus community to register their cell phone numbers into their 'MyJSU' account, as it is the preferred method of notification. Instructions for registering can be found at <http://www.jsu.edu/police/emergencymgt/alertsystem.html>. In addition to the emergency alert notification system, the Director of Public Safety may issue warnings on UPD's website under the crime alert link at <http://www.jsu.edu/police/submit-tip.html>. The Director of Public Safety may coordinate warnings with the JSU Office of Media Relations by utilizing JSU electronic billboards, the JSU Newswire, JSU social media (Facebook/Twitter/Instagram), the JSU Banner system, the public address system in UPD patrol cars, and any other method deemed appropriate. During a confirmed emergency or dangerous situation, the only reason that JSU would not immediately issue a notification would be if doing so would compromise efforts to assist a victim; contain the emergency; respond to the emergency, or otherwise mitigate the emergency. Timely warnings will be issued for crimes reported to the police department and are considered by JSU to represent a serious or continuing threat to students and employees.

Anyone with information warranting a warning should immediately contact the JSU Police Department at (256) 782-5050, or in person at Salls Hall. The University Police Department's working relationship with local and state law enforcement agencies facilitates communications about crimes reported that might warrant appropriate alerts.

JSU conducts numerous emergency response exercises each year, such as tabletop exercises, field exercises, and tests of the emergency notification system on campus. These tests are designed to assess and evaluate the emergency plans and capabilities of the institution.

Tests of this system will be completed periodically to ensure the effectiveness of the system. A campus-wide test of the alert system was conducted on December 10, 2020, and an emergency exercise involving emergency

response was conducted on January 12, 2020 from 8:30 AM – 11:30 AM. The exercise was unannounced to the JSU community. Members of the campus community participated in a simulated active threat scenario that involved the concept of “run, hide, or fight” and the safe evacuation from campus. The exercise allowed participants to demonstrate their response to a potential emergency. The University Police Department also conducted additional tabletop exercises on July 14th and 16<sup>th</sup> of 2020. Other emergency response and evacuation procedures can be found at <http://www.jsu.edu/police/emergencymgt/index.html>.

In the event of an accident, widespread illness, or act of violence resulting in serious injury or unexpected death of a member of the campus community, the designated University administration, once contacted, will determine campus status (remain open or close) and begin the notification process. UPD may recommend closing campus if a dangerous situation exists. A hazardous materials incident procedure is to evacuate, then call JSU Maintenance/UPD/Jacksonville City Fire Rescue and follow their directions. Examples of other events that may require evacuation may include, but not limited to, an actual fire or fire alarm, a bomb threat, a power failure, a police emergency, or other situations where it would be prudent for occupants to evacuate. A shelter-in-place order may be issued for the following: severe weather, hazardous materials, or any situation where it is best for you to stay where you are to avoid an outside threat. If a shelter-in-place is advised, all building occupants will be notified to proceed to their shelter area. Once occupants are alerted to initiate a lockdown at their building, where they will lock all doors and windows where they are at, not allowing entry or exit to anyone until the “ALL CLEAR” signal has been received via the Emergency Notification System. The types of events that could require lockdown include active threat/mass shooting, hostage situation, riot/large uprising, and other emergencies where evacuation may pose a greater risk than sheltering in place.

JSU’s Office of Public Relations is the official liaison between the university and the media. All university-related correspondences with the media and community should be routed through their office. Doing this allows their office to provide internal communicators the best resources available and promotes consistency and accuracy in reporting externally about JSU. The Office of Public Relations has established relationships with the media and have access to an extensive database of contacts and publications. They also use a variety of social media networks that allow real-time updates. The procedures for disseminating emergency information to the community will differ depending on the type of emergency.

## **ADDITIONAL SOURCES OF STATISTICAL INFORMATION VOLUNTARY & CONFIDENTIAL REPORTING**

Consistent with the Department of Education regulations, the UPD has developed and periodically reviews policies to be included in campus crime statistics. Under JSU Policy IV:02:06, all JSU employees, including campus security authorities, report crimes that are reported to them by victims or subordinates, but not reported to the University Police, to the Director of Community Standards and Student Ethics or Title IX Coordinator within 24 hours after receiving a crime report.

Jacksonville State University employees who have significant responsibilities for student and/or student activities will be designated as campus security authorities as defined under the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. Examples of campus security authorities include but are not limited to: Members of the University Cabinet, vice presidents, deans, directors, assistant directors, coordinators, Housing employees, Student Life employees, Student Health Center employees, police officers, and security officers.

As an official for the University, the Director of Community Standards and Student Ethics, can be reached at (256)

782-8080 and <http://www.jsu.edu/community-standards/index.html>, and the Title IX Coordinator, can be reached at (256) 782-5769 and [www.jsu.edu/titleix](http://www.jsu.edu/titleix), maintain records of crimes that have not been reported to UPD and prepares annual summary reports for inclusion for Clery statistics.

## **CONFIDENTIAL REPORTING TO PASTORAL AND/OR PROFESSIONAL COUNSELORS**

Under the law, campus pastoral and professional counselors, when acting as such, are not considered to be a campus security authority and are not required to report crimes for inclusion in the annual disclosure of campus crime statistics. As a matter of policy, however, the Jacksonville State University Police Department encourages all parties to inform potential victims, when appropriate, of procedures to report crimes on a voluntary, confidential basis for inclusion in the annual disclosure of crime statistics. All verified and unverified confidential reports made of sexual assault, domestic violence, dating violence, and stalking offenses that meet the reporting criteria are included in UPD's campus crime statistics.

## **SUBMISSION OF JSU CRIME STATISTICS TO FEDERAL AGENCIES**

The Jacksonville State University Police submit crime statistics online to the Department of Education. Monthly we contribute crime statistics to the Uniform Crime Report by submitting data to the Alabama Criminal Justice Information Center.

## **OBTAINING INFORMATION ABOUT REGISTERED SEX OFFENDERS**

Adult criminal sex offenders who must register with law enforcement officials must notify those officials of their enrollment or employment at institutions of higher education within the state. That information should then be forwarded to campus police, of the school or institution of higher education, where the adult criminal sex offender is employed, has a vocation, or is a student. In accordance with the Campus Sex Crimes Act of 2002, the University must notify the community of where this information can be obtained. To request information regarding registered sex offenders, including those employed, carrying on a vocation, or enrolled at Jacksonville State University, email Mrs. Karen Bates at [kwbates@jsu.edu](mailto:kwbates@jsu.edu) or call (256) 782-5287. Additional information regarding the location of sex offenders in your area can be accessed at the following links:

Alabama Bureau of Investigation - <https://www.alea.gov/dps>

Calhoun County Sheriff's Office - <https://www.calcoso.org/sex-offenders/>

## **SAFETY & ACCESS TO CAMPUS FACILITIES**

The JSU campus comprises a variety of facilities, student residences, and academic/administrative buildings. Residence halls are staffed by a Resident Life Coordinator, Assistant Resident Life Coordinator, Resident Assistants, and Desk Assistants. Residence halls have the exterior doors secured by a card access locking system, and have interior and exterior camera systems installed.

During normal business hours, the public has open access to academic and administrative buildings, with the exception of locked areas. Students and staff who have access to administrative/academic buildings for after-hours work must secure the exterior doors behind them after they enter. They are encouraged to follow all personal safety precautions. If you have to study or work alone at night in a campus building, be sure someone knows where you are and when you should return home. You may utilize UPD's Security Escort Service. Under

this program, a security or police officer will escort you from one campus location to another campus location.

## **SECURITY CONSIDERATIONS IN THE MAINTENANCE OF CAMPUS FACILITIES**

1. Electronic Alarm Systems: A computer-based electronic monitoring system is located at UPD to monitor security and fire alarm activations.
2. Camera systems are installed throughout Jacksonville State University and continue to be evaluated.
3. The Director of Public Safety provides input into the design of new and renovated campus facilities related to physical and electronic security systems.
4. UPD personnel routinely conduct surveys and reviews of perimeter security to University-owned buildings. Anyone who needs to report a security lighting issue may contact UPD at (256) 782-8888 or submit the information online at <http://www.jsu.edu/police/lighting.html>.

## **UPD'S WORKING RELATIONSHIPS WITH STATE & LOCAL LAW ENFORCEMENT AGENCIES**

The Jacksonville State University Police Department cooperates with local, state, and federal law enforcement agencies in any case that involves both on and off-campus jurisdictions. UPD can also assist in an investigation. Local police agencies and University Police exchange information regularly and work together during sporting and other community events. These cooperative efforts enable the University Police to work with JSU students and employees on and off-campus.

## **PROMPT AND ACCURATE REPORTING OF CRIMES**

As noted in other sections, UPD encourages anyone with knowledge of a crime on or off-campus to report it in a timely manner. In order to maximize safety on campus and aid in prompt investigations, we ask that you report to UPD any incident that may qualify as homicide (murder, non-negligent, and negligent manslaughter); sex offenses (rape, fondling, incest, statutory rape); robbery; aggravated assault; burglary; motor vehicle theft; arson; and any specified hate crime by category of bias against the victim (race, gender, gender identity, religion, sexual orientation, ethnicity, national origin, and disability) for inclusion in the Annual Campus Security Report.

## **TYPES, FREQUENCY, AND DESCRIPTIONS OF CRIME PREVENTION PROGRAMS**

The Jacksonville State University Police Department utilizes various methods to inform students and employees about the prevention of crime. UPD makes available crime statistics, crime logs, and the annual Campus Safety & Fire Report, which provide information on criminal activity.

UPD offers other programs designed to prevent property crimes and crimes of violence. Jacksonville State University's crime prevention program stresses community awareness and interaction by disseminating material and presentations geared towards familiarizing students, faculty, and staff with their responsibility in reducing criminal opportunities. Such programs range from crime prevention presentations to on-site inspections. Our officers are involved in numerous presentations in the Adopt-A-Cop program throughout the university community ranging from talks within residence halls, to specially targeted programs for local schools. Safety

programs are made available to parents of new students, new student orientations, on-campus residence, and other campus groups or organizations.

We are actively involved in a variety of awareness and prevention programs, such as bicycle safety, crime prevention brochures, posters, and handouts that are utilized in an effort to make all members of the campus community aware of the potential for crime.

Our Emergency Management Coordinator provides year-round training for emergency operations and publishes the Emergency Operations Plan at <http://www.jsu.edu/police/emergencymgt/planning.html>. Timely warnings of potential dangers and public service announcements can be sent to members of the campus community by the emergency notification system, e-mail, the JSU news wire, public address system, and on the community news bulletin boards around campus.

Jacksonville State University has provided five outside emergency phones (blue light) in the event you need assistance. These phones are connected directly to the University Police Department. Should you activate one of the emergency phones, you will be in direct contact with the police dispatcher, who will inquire about the nature of the emergency. Police will be dispatched to your location regardless of the nature of the call. Emergency phones are located throughout campus and are housed in red frames with flashing blue lights. The locations of emergency phones can be found at <http://www.jsu.edu/police/services/emergencyphones.html>.

JSU Housing publishes a Guide to Residence Living & the Resident Safety Guide at <http://www.jsu.edu/housing/guide.html>.

## **SEXUAL ASSAULT, DOMESTIC VIOLENCE, DATING VIOLENCE, AND STALKING AWARENESS & EDUCATION**

JSU is committed to providing comprehensive and integrated prevention, education, and awareness programs that focus on the multifaceted dynamics of sexual harassment, sexual violence, dating violence, domestic violence, and stalking. The university strives to create a non-discriminatory and harassment-free living, learning, and working environment for all members of the JSU community, including students, staff, faculty, and visitors. Many offices work collaboratively to develop and implement education programs, prevention programs, initiatives, and campaigns to respond to campus needs and climate.

Various offices at Jacksonville State University work together (including: Counseling Services, UPD, University Housing and Residence Life, Community Standards and Ethics, Title IX, Human Resources, RMC/JSU Health Center, Marketing, Athletics, Disability Support Services (DSS), Student Government Association, and Fraternity and Sorority Life) to provide sexual assault, domestic violence, dating violence, and stalking awareness and education to the University community throughout the year and as requested. For details, please visit the following links, <http://www.jsu.edu/police/prevention/index.html>, <http://www.jsu.edu/ccservices/index.html>, and <http://www.jsu.edu/studentaffairs/index.html>.

Incoming students generally receive education about consent (to permit, approve, or agree) and the Title IX office during orientation, however this information was more limited in 2020 than in previous years, due to the COVID-19 related lack on an in-person orientation. All students and employees were offered a free online course (SPARC) that discussed the updated Sex-Based Harassment and Misconduct policy, grievance procedure, and highlighted many of the on-campus resources available at JSU. All first-year students were strongly encouraged to complete this online module during their First-Year Experience class. However, other groups were also encouraged to complete, for example athletic staff and coaches, international students, residence life staff, and

other interested groups. Returning students receive regular programming throughout the year. The programs focus on domestic violence, dating violence, stalking, and sexual misconduct, including an overview of the university's resources, policies and procedures, and relevant definitions, including prohibited conduct, discussion on the impact of alcohol and illegal drug use, and effective consent. Student-Athletes receive annual sexual violence prevention training through a collaboration with Athletics and Title IX. Staff from the Division of Student Affairs who are trained facilitators in Escalation offer a program by the One Love Foundation <https://www.joinonelove.org/>. In April, Sexual Assault Awareness events were provided online using social media platforms and many national events were posted on the JSU Title IX "Sexual Assault Awareness Month" page.

Employees receive prevention and awareness training as part of their new-hire orientation. The programming covers domestic violence and dating violence, stalking and sexual misconduct. The orientation includes an overview of the university's policies and prohibited conduct. The orientation discusses reporting and resources. Employees also complete general ongoing training online annually. Further, an online module (SPARC) was prepared and provided free of charge online. This course discussed the updated Sex-Based Harassment and Misconduct policy, grievance procedure, and highlighted many of the on-campus resources available at JSU.

The JSU Police Department routinely conducts various educational programs to make both students and employees aware of and to attempt to prevent rape, acquaintance rape, and other sex offenses. The following are some of the programs conducted by or offered by the department: safety and security programs during freshman orientation, self-defense and avoidance courses, alcohol and drug awareness programs, and generalized safety and security programs for students in the residence halls, fraternities, sororities, and other personal protection programs designed for traveling faculty and staff and can be found at <http://www.jsu.edu/police/>.

This information is provided in accordance with the provisions of the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act of 1998.

**Bystander Intervention Options:** The university provides information regarding safe and positive options that may be carried out by an individual or individuals to prevent harm or intervene when there is a risk of dating violence, domestic violence, sexual assault, or stalking. This includes recognizing situations of potential harm, understanding institutional structures and cultural conditions that facilitate violence, overcoming barriers to intervening, identifying safe and effective intervention options, and taking action to intervene.

**Amnesty for Alcohol and Other Drugs:** Jacksonville State University seeks to remove barriers to reporting. An individual who reports sexual harassment or misconduct addressed in this policy (including domestic violence, dating violence, stalking, and sexual assault) to the Title IX Coordinator, either as a complainant or as a third party, will not be subject to disciplinary action by the university for their consumption of alcohol or drugs at or near the time of the incident. Further, the JSU Code of Student Conduct includes a "Medical Amnesty Policy" which also provides medical amnesty in certain situations.

**Good Samaritan Amnesty:** Jacksonville State University encourages students to offer help and assistance to others in need. Sometimes students are hesitant to offer assistance to others, for fear that they may get themselves in trouble (e.g., an underage student who has been drinking might hesitate to help an alleged victim of sexual misconduct). A bystander or other person acting in good faith who discloses sexual harassment or misconduct addressed in this policy (including domestic violence, dating violence, stalking, and sexual assault) to the Title IX Coordinator, either as a complainant or as a third party, will not be subject to disciplinary action by the university for their own personal consumption of alcohol or drugs at or near the time of the incident. Further, the JSU Code of Student Conduct includes a "Good Samaritan Amnesty" policy, which also provides for

good Samaritan amnesty in certain situations.

**Risk Reduction Information:** The university provides information on options designed to decrease perpetration and bystander inaction, and to increase empowerment for community members in order to promote safety and to help individuals and communities address conditions that facilitate violence.

## MISSING PERSONS

The "Suzanne's Law" requires police to notify the National Crime Information Center when someone between 18 and 21 is reported missing, which was signed into law by President Bush as part of the national, "Amber Alert" bill on April 30, 2003. The federal law is named after Suzanne Lyall, a University of New York at Albany student who has been missing since 1998. Previously police were only required to report missing persons under the age of 18. This new law is intended to initiate prompt investigations when students are reported missing. Officers must ensure compliance with this requirement.

It is the policy of the University Police Department to take prompt action upon receipt of information pertaining to a missing person. Officers investigating reports of missing persons must keep in mind the incident being reported as it may be the result of criminal action, voluntary action, or the result of physical or mental disability. During all phases of the investigative efforts, officers shall pay particular attention to follow-up leads and the collection of evidence.

Faculty, staff, students, family members, or other individuals believing that an individual is missing (from Campus, residential housing, or off Campus) should immediately report the missing person to UPD at (256) 782-5050 or to the local law enforcement agency that has jurisdiction. Although many law enforcement agencies may have a 24-hour missing person policy, you may contact UPD immediately if you believe a person is missing. If a person affiliated with JSU is missing off-campus, UPD will assist in notifying the appropriate law enforcement agency having jurisdiction.

Jacksonville State University utilizes the Banner administrative software. All faculty, staff, and students assigned a Banner account are able to list a confidential emergency and missing person contact. Information can only be accessed by authorized officials and will only be disclosed to law enforcement personnel during the course of an investigation. University Housing requires all tenants to list an emergency contact and a missing person contact in their file when residing in campus housing. Housing personnel are required to contact UPD immediately after believing a person is missing. After advising the Director of Public Safety of a missing person, UPD will contact the missing person contact within 24 hours of determining a person is missing. If persons are under the age of 18 and are not emancipated, UPD will notify a parent or guardian within 24 hours by accessing Banner or University Housing records.

Other Procedures:

1. UPD will disseminate all available information to on-duty personnel and other police agencies. Investigation of any missing person will begin immediately upon the initial report. Information will be provided to adjacent jurisdictions and other persons that may assist in finding a missing person.
2. When applicable, the information shall be entered into National Crime Information Center (NCIC).
3. Continuous follow-ups will be made with the reporting party and missing person contacts until the missing person is located. The local law enforcement agency with jurisdiction will also be contacted within 24 hours.

## COMMUNITY ORIENTED POLICING PROGRAM

Upon request by University departments and other organizations, University police officers attend meetings to provide up-to-date crime prevention information and to hear the concerns of University community members about crime and safety issues. Officers also offer safety programs to their respective campus communities.

## UNIVERSITY POLICE DEPARTMENT'S WEB SITE

UPD maintains a web site at <http://www.jsu.edu/police/> for quick and current information on police, fire safety, and emergency procedures. State and local laws are also available. The university community is encouraged to take a few minutes to browse this site. If you have any questions, call the University Police Department at (256) 782-8888.

## SUMMARY OF DRUG AND ALCOHOL USE & ABUSE

Jacksonville State University affirms its policy of providing a drug-free workplace for its employees. In furtherance of this policy, the following guidelines and sanctions have been adopted.

1. Drug Use Policy - Federal law prohibits the illegal manufacture, distribution, dispensing, possession, or use of a controlled substance in the workplace. (The "workplace" is defined as Jacksonville State University property, vehicles, or participation in a JSU sponsored activity away from campus.) It is the policy of JSU to comply totally with this law and comply by:
  - (a) Providing each student and employee a copy of this policy.
  - (b) Requiring any student convicted of any criminal drug statute violation which has occurred in the workplace to notify the Director of the Office of Community Standards and Student Ethics within five (5) days of the conviction.
  - (c) Requiring any faculty or staff member convicted of any criminal drug statute violation which has occurred in the workplace to notify the Director of Human Resources within five (5) days of the conviction.
2. Legal Sanctions - Legal sanctions under Federal and State law for possession, sale, use, or distribution of illicit drugs and alcohol may include imprisonment for periods ranging from less than one year (for a first offense) up to life imprisonment without parole (for multiple convictions) and significant monetary fines.
3. Health Risks -
  - a. Marijuana -
    - (1) Use of marijuana reduces short-term memory, motivation, concentration and attention span
    - (2) Infertility may be caused by the use of marijuana in both males and females
    - (3) Lung damage may result from the use of marijuana
  - b. Cocaine -
    - (1) Use of cocaine may lead to addiction
    - (2) Use of cocaine may cause permanent damage to the lungs, liver, and nose
    - (3) Chest pain, heart attack, heart failure, stroke, and seizures may result from the use of cocaine
  - c. Alcohol -
    - (1) Use of alcohol may lead to addiction
    - (2) Damage to the liver, brain, heart, and other organs may result from long-term drinking

- (3) Harm may occur to babies whose mothers use/abuse alcohol during pregnancy (Fetal Alcohol Syndrome)
- (4) Abuse of alcohol can lead to overdose and death
- (5) Mixing alcohol with other drugs (legal and illicit) may intensify the effects of either, making overdose more likely; use of drugs and/or alcohol causes impairment of judgment and motor skills, which significantly increases the risks of injury or death due to accidents.

4. Drug/Alcohol Awareness, Counseling, and Treatment – JSU’s Counseling Services offers limited counseling and therapy to all students, faculty, and staff at Jacksonville State University. These services are without charge. These services include intervention, short-term and long-term supportive therapies. Referrals may also be made to the Highland Health System or other providers. Faculty and staff members may contact the Human Resources Office to obtain additional information concerning counseling and treatment available through JSU’s health insurance plan and the Employee Assistance Program.

UPD believes that a person has a right to pursue their individual and collective goals in a healthy educational environment, one that is free of the effects of alcohol and drug abuse. To help maintain such an environment, UPD abides by all laws governing alcohol and other controlled substances.

## **DESCRIPTIONS OF DRUG-ABUSE AND SUBSTANCE EDUCATION PROGRAMS**

As part of UPD’s Crime Prevention programs, UPD personnel address issues of personal safety, including but not limited to:

- 1. Alcohol Awareness - information on the physical/mental effects of alcohol; driving under the influence (DUI) and its possible consequences; binge drinking and its possible consequences.
- 2. Date Rape Drugs - drug names and effects; informing victims on the ways drugs can be administered without the victim's knowledge.
- 3. Dangers of Parties - addresses safety issues related to parties. To assist the campus community in understanding the laws regarding alcohol and drug offenses, the Annual Campus Security & Fire Report and UPD’s website at <http://www.jsu.edu/police/policies.html> educates students and employees about the penalties and risks associated with:

- (a) driving under the influence of drugs or alcohol
- (b) public intoxication
- (c) violation of the city’s open beverage container ordinance
- (d) violation of the laws prohibiting a minor from being in possession of alcohol and prohibiting the sale of alcohol to a minor; legal age to consume, sell, or possess alcohol in the State of Alabama is 21 years of age.
- (e) violation of the law prohibiting adults from allowing minors to consume and/or possess alcohol at an open house party.

Counseling Services provides the New Pathways Program for students who have violated the JSU Student Code of Conduct by committing a drug or alcohol offense. The program is psycho-educational and involves individualized assessment and group participation. Referrals are accepted from the JSU Director of the Office of Community Standards and Student Ethics, JSU and community law enforcement, probation/court referral officers, various JSU departments, and self-referrals. Students may be referred to outside treatment providers based on their individualized needs and the results of their substance abuse assessment and/or informed clinical opinion of the Counseling Services staff. Counseling Services hosts or collaborates to host programs that include National Recovery in September and National Collegiate Alcohol Awareness Week in October.

Counseling Services provides support for the Common Ground Recovery Support Group. The group is an open group meeting facilitated by members of the JSU Collegiate Recovery Community. Counseling Services sponsors the Collegiate Recovery Community. The group holds weekly seminars to help support students in recovery from substance use disorders. The CRC also sponsors recovery-oriented events on campus such as Sober Tailgates, National Recovery Month events, etc.

Counseling Services offers space to the Stepping Up Group of Narcotics Anonymous. The group is an open group meeting.

Survivors Overcoming Abusive Relationships (SOAR) is a support group for individuals affected by intimate partner violence and those who support them. Members of this organization work to raise awareness about dating violence, domestic violence, sexual assault, and stalking by sharing the personal stories of survivors. The group also seeks other methods to increase awareness about intimate partner violence through campus campaigns and social media and other methods. SOAR is open to all current JSU students and community members interested in education, awareness, and advocacy pertaining to intimate partner violence.

In addition, JSU's policies for Student Code of Conduct, University Policies, and the University Disciplinary System can be found at <http://www.jsu.edu/studentaffairs/handbook.html>. UPD will strictly enforce Federal and State drug and alcohol laws through the criminal justice and university disciplinary systems.

### **C. Reporting Procedures**

You are encouraged to speak to officials of the institution specifically identified as Campus Security Authorities including, but not limited to: Members of the University Cabinet, vice presidents, deans, directors, assistant directors, coordinators, Housing employees, Student Life employees, Student Health Center employees, police officers, and security officers to make formal reports of incidents. You have the right and can expect to have incidents of sexual misconduct taken seriously by the institution when formally reported, and to have those incidents investigated and properly resolved through administrative procedures. Formal reporting means that only people with a need to know will be told, and information will be shared only as necessary with investigators, witnesses, and the accused individual.

It is the policy of Jacksonville State University that all employees, including campus security authorities, report crimes that are reported to them by victims or subordinates, but not reported to the University Police, to the Director of Community Standards and Student Ethics or Title IX Coordinator within 24 hours after receiving a

crime report.

Reporting to the Title IX Coordinator: Any person may report any prohibited conduct (whether or not the person reporting is the person alleged to be the victim of said conduct), in person, by mail, by telephone, or by electronic mail, using the contact information listed below for the Title IX Coordinator or by any other means that results in the Title IX Coordinator receiving the person's verbal or written report. Such a report may be made at any time (including during non-business hours) by completing the "Report a Concern" form at [www.jsu.edu/titleix](http://www.jsu.edu/titleix), using the telephone number or electronic mail address or by sending mail to the office address listed below for the Title IX Coordinator:

Title IX Coordinator at Jacksonville State  
University Angle Hall, Suite 301-A  
700 Pelham Road North  
Jacksonville, AL 36265

UPD strongly encourages individuals to report all crimes, including domestic violence, dating violence, stalking, and sexual assaults to the appropriate law enforcement agencies. Reporting is the only effective way that action can be taken against the alleged attacker and knowing your rights as a victim of a crime. It is important to preserve evidence that may be helpful in obtaining a protection order or in proceeding with a criminal investigation if you choose to do so. Completing a forensic exam does not require you to file a police report or report to the university. However, we encourage these reports or to at least seek services and support. Medical exams can address physical needs or trauma and assess for sexually transmitted diseases or pregnancy. Text messages, records of phone calls, emails, pictures, notes, and gifts can all be pertinent for a report of sexual assault, dating violence, domestic violence, or stalking. Victims are encouraged to use the following procedures:

Report to the Police: Individuals are strongly urged to first contact the University Police (if assaulted on campus) or local police authorities (if assaulted off campus). All agencies may be reached by calling 911. UPD officers can assist in notifying local police authorities.

Report to Other University Officials: In the event, a victim does not report to UPD, we encourage you to report to another official such as:

- (1) The Student Health Center at (256) 782-5310.
- (2) The JSU Department of Counseling Services at (256) 782-5475.
- (3) The Vice President of Student Affairs at (256) 782-5020.
- (4) Director of the Office of Community Standards and Student Ethics at (256) 782-8080.
- (5) The Title IX Coordinator at (256) 782-5769.

UPD encourages that you contact somebody you can talk to if you are the victim of a crime and report it to UPD or your local authorities immediately. University officials can assist victims in notifying law enforcement if the victim wishes to have them notified. UPD will enforce all aspects of the law concerning Domestic Violence under Alabama state law. JSU does not issue orders of protection for victims, but would honor legal orders of

protection, “no contact” orders, restraining orders, or similar lawful orders issued by a criminal or civil court. You can apply for a protection of abuse order issued by the courts. Protection orders can be filed through the District Court of Calhoun County at (256) 231-1770. The District Court is located at 25 West 11th Street, Anniston, AL 36201. UPD will assist you in filing a protection order. After the protection order is served, if the defendant violates the order by having contact with you, contact your local law enforcement to make a report, and they will explain the warrant procedures. Once a warrant is signed, the defendant will be arrested and charged with a violation of the protection order. You may also request an administrative no-contact order within the Office of Community Standards and Student Ethics to prevent contact between two or more individuals.

## **VOLUNTARY, CONFIDENTIAL REPORTING OF SEXUAL ASSAULTS, DOMESTIC VIOLENCE, DATING VIOLENCE, OR STALKING**

1. Although victims of sexual offenses are not required to report offenses to the police, reporting is strongly encouraged. If individuals are entirely certain that they will not take legal action, they are encouraged to contact someone, such as the Student Health Center and JSU Counseling Services.

What about confidentiality?

Counseling services are confidential for all persons. No information regarding your visit(s) will be divulged to any person(s) or agencies, parent, faculty, or prospective employers without written permission specifying what may be disclosed; nor will any record of your visit(s) exist within your official academic transcripts or medical records. All of this being said, there are some exceptions when:

- (a) A client threatens to harm himself/herself or harm others
- (b) There is reasonable suspicion of abuse of a child or elderly person
- (c) When ordered to release records to a court of law having proper jurisdiction.

2. Local news media may receive notice of sexual assaults reported to the University Police Department so that others are alerted; personally identifying information, including name and contact information, of victims are not released; privacy is protected at all times. No pressure is placed on a victim of sexual assault, dating violence, domestic violence or stalking to report the attack if they choose not to report; the victim’s parents will not be notified without the victim’s consent.

3. Medical and Counseling Support Services- It is very important for victims of sexual assault to obtain immediate medical care following a sexual assault. Whether or not the sexual assault is reported, medical care will ensure the victim’s well-being and the documentation, collection, and proper preservation of physical evidence in the assault. Medical attention: In addition to the care of obvious injuries, medical attention is needed to protect the victim from sexually transmitted diseases or the possibility of pregnancy. If you have been raped and might consider taking legal action against the rapist, you need to receive medical care at a Medical Facility. Emergency room doctors are the physicians who give medical exams in which evidence of rape can be obtained and preserved for legal action. Without this evidence, the chances for a successful prosecution are minimized. You should have the exam as soon as possible. You will need a change of clothes; the clothes worn during the assault will be kept as evidence. If you have already changed clothes, bring along any articles that may have blood or semen on them. In order to preserve physical evidence of the assault, victims should not change clothes, bathe, douche, or use the bathroom before seeking medical care. Anyone needing assistance should call UPD at (256) 782-5050.

Other resources include the 2<sup>nd</sup> Chance Inc. at (256) 236-7233 or 1-800-656-4673.

4. Procedures followed after a report of a sexual assault, domestic violence, dating violence, or stalking crime is made to the University Police-

When a sexual assault, domestic violence, dating violence, or stalking crime is investigated, the victim may be unprepared for the lengthy, public process of bringing the perpetrator to justice. UPD respects the victim's feelings but must also observe due process of law. The following outline of a sexual assault, domestic violence, dating violence, or stalking crime investigation can help victims of sexual assault, domestic violence, dating violence, or stalking crimes understand the process of the investigation. Immediate Response to Report: After a crime has occurred, and the victim contacts campus or city police, patrol officers will respond to the victim, ensure their well-being, and necessary support services.

(a) The responding patrol officers, after receiving a brief description of what happened from the victim, will inform the appropriate support personnel. Officers will secure the crime scene and interview any witnesses and preserve the crime scene for evidence collection. Preserving evidence may assist in proving the alleged criminal incident occurred or may be helpful in obtaining a protection order. The officers will help the victim arrange medical care to treat injuries and potential sexually transmitted diseases and preserve physical evidence of the assault.

(b) When ready, the victim will be asked to provide a detailed statement of the assault to police personnel.

(c) Officers may ask the victim to try and identify the suspect from a photo or physical lineup.

(d) Investigators must gather enough evidence to establish "probable cause," i.e., legal reason to arrest the suspect. When the evidence is ready, the investigators and victim will meet with a magistrate to ask for a warrant allowing the suspect's arrest. If a warrant is granted, the suspect can be arrested and jailed. Bail or bond can be provided for the defendant at the discretion of the judge or magistrate.

(e) There may be several judicial proceedings before the actual trial. For instance, a "preliminary hearing" may be held. This hearing, which is conducted before a judge, may require the victim to answer questions from the prosecuting attorneys and the defendant's attorney. The victim may also be asked to appear before the Grand Jury when it convenes to determine if the defendant is to be indicted. If indicted, a trial will be scheduled.

(f) The trial will typically be held in the District Court of Calhoun County in Anniston. Sexual assault, domestic violence, dating violence, or stalking crime trials generally involve testimony from the victim, the police, the emergency-room personnel, and other witnesses. If the accused defendant is found guilty of the crime, the judge will set a sentencing hearing, which may require further testimony for those involved in the trial.

## **THE STUDENT CODE OF CONDUCT AND UNIVERSITY DISCIPLINARY SYSTEM**

Jacksonville State University's conduct system has authority in all non-academic disciplinary matters. The University reserves the right to discipline students and recognized student organizations for acts of misconduct wherever they occur. The University, at its discretion, may pursue disciplinary action against a student. At the same time, the student is also subject to criminal proceedings. The University reserves this right, even if criminal charges are pending, reduced, or dismissed.

As a Jacksonville State University community member, students are expected to uphold and abide by all local, state, federal, and international laws. Referrals received from any University or police authority, regardless of location, are subject to possible code of student conduct proceedings for the accused.

Students being held accountable to the Code of Student Conduct include behavior that may have occurred before classes began, after classes ended, or if discovered after the student graduates. Additionally, violations of the Code of Student Conduct during the academic year, between academic terms, during times of non-

enrollment, or during periods of suspension or dismissal, will be addressed.

## **CRIME STATISTICS**

The annual security report for Jacksonville State University includes statistics for the previous three years concerning reported crimes on campus, in certain off-campus buildings, or property owned or controlled by JSU, and on public property within, or immediately adjacent to and accessible from the campus. In accordance with mandated reporting requirements, information concerning the monitoring and recording of any criminal activity in which students engaged, at off-campus locations and/or within student organizations officially recognized by JSU, are gathered from local police agencies. These agencies include any city, county, state, or federal agencies that may have relevant information. The statistics are published in this disclosure. The report also includes institutional policies concerning campus security, such as policies concerning alcohol and drug use, crime prevention, the reporting of crimes, sexual assault, and other matters.

The University Police Department is aware that crimes may go unreported to law enforcement and encourages employees of JSU, who have significant responsibility for students and student activities, to report to the University Police any crimes that they may have become aware of in their daily contact with students.

## ANNUAL FIRE SAFETY REPORT

The Director of Housing, in cooperation with the Director of Public Safety, is responsible for ensuring a log of all reported fires that occur in on-campus student housing facilities. In addition, an annual fire safety report that contains fire safety policies and statistics for facilities, as well as the submission of the fire safety report under the Clery Act.

You can review the Guide to Residence Living & the Residence Safety Guide at <http://www.jsu.edu/housing/guide.html>.

### Fire Emergency Procedures, Evacuation Plans, and Training:

#### If you see a fire - stay calm!

1. Activate the building fire alarm immediately. If the alarm fails to operate, warn other occupants by knocking on doors and shouting warnings as you exit the building. Call the University Police Department emergency line at (256) 782-5050 or 911 from a safely located phone outside the building. Give as much information as possible to the dispatcher. Do not assume that someone else has already notified them. Do not hang up until told to do so by the dispatcher. Notify the Residence Life Staff as soon as possible. The University Police will

contact the Jacksonville Fire Department to respond to any fire related incident on campus. The direct number to the Jacksonville Fire Department is thru 911.

2. Before opening the door, feel it with the back of your hand. If it is hot, do the following (if it is not hot go to step 3).

**(a)** Open the windows.

**(b)** Seal cracks around the door with towels, tape, bed, clothing, or similar items to keep out smoke.

**(c)** If you are trapped, hang a sheet, jacket, shirt, or other object out the window that will attract attention, and shout for help. Call the University Police Department on the phone and tell them that you are unable to get out of your room. Remain calm until firefighters reach you from the hallway or window. Their first duty upon arriving at a fire is to search for persons trapped in the building.

3. If you are able to leave the room, do so immediately and:

**(a)** Take your key with you in case you are required to return. Close all doors behind you as you exit. This will retard the spread of smoke and lessendamage.

**(b)** Go to the nearest exit or stairway. Do not use an elevator.

**(c)** If smoke, heat or fire blocks your exit, go to an alternate exit.

**(d)** If all exits from a floor are blocked, go back to your room and follow the procedures described above in step 2.

4. If smoke is present keep low to the floor. Take short breaths to avoid inhaling any more smoke than necessary.

5. Leave the building immediately. When the University Police and/or firefighters arrive, inform them of the location of the fire.

6. After leaving the building, stand clear. Follow the directions of the Emergency Personnel and the Residence Life Staff. Do not re-enter the building for any reason until the fire department has declared itsafe.

**Note:** If you hear the fire alarm, follow steps 2 through 6 above.

The University Police Department, through the Safety/Security Supervisor will coordinate training to students and employees. This training will be conducted utilizing the Adopt-a-Cop program and/or group training with employees and students. Training will address fire safety, notification, evacuation plans, reporting malfunctioning smoke, fire alarms, and the use of fire extinguishers.
