

Spring 2022 Preview Day Schedule and Information April 2, 2022

COVID - 19 Precautions

Jacksonville State University is taking steps to limit the spread of COVID-19 based on the recommendations of leading health officials to ensure the safety of our visitors, faculty, students, and staff. **Masks are recommended on campus.** If you have been diagnosed with COVID-19, are awaiting test results, or feel ill, please reschedule your visit for another time.

Check-in

The day will begin in one of four locations across campus. Your starting location is detailed in your pre-event email, along with a video explaining the layout of the day. Make sure to note where you will be checking in for the day, as there is not one central check-in location. Your pre-event email will also contain a link to your personalized QR code for check-in. Please have your QR code ready when you arrive. At Preview Day, you will be able to choose your own schedule which can include academic information, student organization/services information, a current student social, campus tours, and an admissions and financial aid information session. There will be optional open houses available as well. Check out the agenda for the day, below, so you can see what events are scheduled.
